Academy Awards Website

This site will have multiple pages with a sidebar for navigation. For some of the categories listed below, the information on the Wikipedia page will be formatted into info graphics, like timelines, and paired with photography of the Oscars.

- Introduction
 - Purpose
 - Associations
 - Brief History
- Oscar History of broadcast media
 - Radio, television, theater venues, hosts
- AMPAS, Nomination Rules and Voting Procedures
- Oscar Statuette History
 - Model & sculptor
 - Materials and dimensions
 - Why is it called "Oscar?"
 - Engraving
 - Ownership
- Award Categories and recent winner examples (especially for some of the less known categories, like live action, animated and documentary short film)
 - Current categories
 - Discontinued categories
 - Special categories and other presented awards
- Current and historical criticism
 - Commercialism caused by over-promotion of films
 - Accusation of bias in terms of the films that are favored – separation between critical acclaim/audience favorites and academy favorites
 - Lack of diversity
 - Refusing the award (Dudley Nichols, George C. Scott and Marlon Brando)
- Sources – include Wikipedia page and photography credits
