

Creative Director: Dana Berger
Designer: Stephenie Wang

- We discussed highlighting important dates and information through bold text and pull quotes.
- Images need to flow when scrolling.
- Responsive hover over map and possible other place
- More incorporation of images in text
- More variation in page designs
 - opener image
 - scroll down for info
- More images
- Menu bar on other pages has homepage
- More space between menu bar and info
- Try Gill Sans for body text
- No yellow for the hover
