

WELCOME TO UKRAINE

Notes from mockup review

Designer: Kristen DeMondo

1. Overall design captures the feel and communicates the concept.
2. Navigation bar
 - Consider other color options (light gray)
 - Remove the flower graphic and place it over the home page image
 - Switch the color of the type "Ukraine" to the light blue (for the black background)
 - Replace the current wordmark with Source Sans Pro web typeface
3. Feature sections: shorten the titles to: Facts / 7 Wonders / Plan Trip (or Visit)
4. 7 Wonders page: allow for more negative space around the type
