Ukraine occupies 8th place in Europe by the number of tourists visiting, according to the World Tourism Organisation [rankings](#), because of its numerous tourist attractions: mountain ranges suitable for skiing, hiking and fishing; the Black Seacoastline as a popular summer destination; nature reserves of different ecosystems; churches, castle ruins and other architectural and park landmarks; various outdoor activity points. Kiev, Lviv, Odessa and Kamyanets-Podilskyi are Ukraine's principal tourist centres each offering many historical landmarks as well as formidable hospitality infrastructure. Tourism used to be the mainstay of Crimea's economy but there has been a major fall in visitor numbers following the Russian annexation in 2014.

The Seven Wonders of Ukraine and [Seven Natural Wonders of Ukraine](#) are the selection of the most important landmarks of Ukraine, chosen by the general public through an Internet-based vote.
