## Project Title: Anderson Cooper Website

I am planning to have my website multiple pages, with a navigation bar on the top or on the right of the page. I will get more photographs and information from other websites as well.

1. Home Page/Introduction/Education – Introduce basic point I want to get across about Anderson Cooper's life and legacy.
2. Career
3. Career timeline and Awards
4. Personal life
5. Sources – this page will just list sources, including the Wikipedia page, as well as other sources for photography, and any other credits that need to be provided.
