

## Content Outline

---

Project Title: The Beatles Website

- **Home page** - A brief history of the band. Emphasis on their massive global success
- **Beatlemania** - Going into detail about the absolute obsession surrounding them and the “British Invasion”
- **Members** - Profiles of each of the 4 members, with mention of the 5th who left early. Emphasis on how they joined the band and what their musical inspirations were.
- **Music** - Lists of all their album and songs, with links to play some possibly. Will use the album art to help make this visually interesting. Maybe add in descriptions about the importance of each album.
- **Sources** - All credits for borrowed photography and content
