Notes for Mockups

Homepage
--Change the navigation bar to be a margin (white)

--simplify the names for each page
     early life
     New York
     Exhibitions
     Portfolio
        keep them black even when on the page
--get rid of descriptive paragraph on homepage
--put "Inez & Vinoodh" in line with navigation bar

Early Life
--only one photo
    skinny long banner-style photo
--text scroll not page scroll

New York
--click and image changes but text stays (like slideshow)

Exhibitions
--also clickable

Portfolio
--ideally a horizontal scroll with images bleeding into each other (new skill—look this up)
       OR the grid, put caption for each photo (i.e. *Vogue 2013*)

Typefaces:
•Playfair Display for navigation bar and titles
•Source sans for body
