Designer: Kaitlin Yang
- Opening Page
  - Use a full image-not the cutout
  - Make sure the gymnast is from Beijing 2008-currently the photo is Madison Kocian (a great gymnast but one from Rio)
  - Font looks good- just ake sure that it is legible
- Medlaists pages
  - Cutouts look great- just use images of the gymnasts on the apparatus they won a medal on
  - Make sure the cutouts are clean
  - Make sure type is legible over the background
  - Make sure there is a clear hierarchy between the apparatus title and the gymnast name
  - Add scores
- Bio Pages
  - Use full image- feel free to pull from other competitions
  - Add the number of medals won
- Overall
  - Make sure that the background is not too intense and that everything is legible on top of it
  - Only use cutouts for the medalist page
