

Microsite Build Notes

Creative Director: Kevin Schneider

Designer: Kaitlin Yang

Notes:

General:

- Watch apostrophes and quotation marks- weird symbols are showing up
- Add a blue background to the menu bar at the top

Home Page:

- LOVE IT!
- Maybe make the enter button more central and not in the bottom corner

Medalists:

- Organize by apparatus
- Make into a grid
- Make sure that names stay with the pictures
- Make the photos the links, not the names
- Add the Gymnasts countries
- Change the picture of Nastia for silver on balance beam to a photo from 2008 (if you need help finding one let me know!)
- Can we make it so that photos don't get cut off when it is resized
- Set the background so that it does not repeat

Scoring

- Change picture to one of a gymnast in action- you can pick!
- Maybe make the image fill the background like it does on the home page
- Make the space between image and text (if you don't put it in the background) smaller

Home:

- Watch space between the image and the text
- That picture works, but it's not from Beijing so maybe pick one that is (but that's really nitpicky so if you don't have time that's fine)

Athlete Bios:

- Type out the medals, don't use the Wikipedia picture
- Watch hierarchy between the category and info (like bold height and weight and coach titlesect.)
