Content Outline

Project Title: Muhammad Ali Website

I will be building a multi-page site for information on the TV show friends. The theme of the page will be upbeat and cheerful because the show is a sitcom.

- **Home Page/Introduction** – Introduce the show, what it is about and the cast members. This page will have images and a navigation
  - the theme song (with video)
  - dates and names of season
  - about
    - what the show is about
    - characters/ actor names
    - run time
    - production
- **Seasons and episodes-** # of seasons and about how each one is named "the where…"
  - Clips from most popular episodes
  - Lists of episodes (clickable
  - Writing, casting and filming
  - Famous guest stars
- **Cultural Impact**
  - How it changed TV
  - awards
  - The obsession
  - Ratings
    - Reception
  - Legacy
- **Sources**
  - https://en.wikipedia.org/wiki/Friends
  - http://www.warnerbros.com/tv/friends-complete-series-collection
