Project Title: Warped Tour Website

I'd like to have my page click through and cycle through the different sections. There could be some sort of sidebar if someone wanted to skip to a particular section.

- Introduction + Overview – what Warped Tour is, the kind of music featured on the tour, set up of the tour as an outdoor venue, probably something about Kevin Lyman; definitely want to put something in there about the Reverse Adult Daycare,.
- Impact of Warped Tour
- Criticism and controversy – subsections of
 - Band conflicts
 - Sponsorship
 - Activism
 - Philanthropy
 - Musical equipment
